Fetish is a love story in the heart of darkness. FBI Special Agent Augustus Drummond, heads a special unit assembled to deal with the most heinous crimes imaginable. His insights and uncanny understanding about his craft have in part been influenced by his brutal childhood, where an incident of violence against him opened his mind to unexpected power and understanding. His team experiences a dramatic change, when Sonia Connelly (a gifted, multi-talented agent) joins their group and with the support of a Navajo holy man, they become close - even as they are embroiled in combating crimes of the taboo and the unthinkable. Inevitably, a question must be asked, "What's your fetish?"
