## **Proverbs, Ecclesiastes & Song Of Solomon** John Wesley

John Wesley (along with his brother Charles) is widely credited with the start of the Methodist movement. There is no doubt that his contribution to the Christian world is marked and enduring. He is quoted as having rode 250,000 miles on horseback, preached 40,00 sermons and given away £30,000.

As well as this contribution in the form of financial giving and the spoken word, Wesley, made an impact through the written word. One of his most renowned works is his “Notes on the Bible”. This is a commentary on the each book in the Bible.

Generally this is found in one single, large volume. As a Kindle file this is large and ultimately unwieldy. To help in this we have taken each book of the Bible and present it as a one Kindle book.

This helps you manage your commentaries on your Kindle and also allows you to keep an eye on the amount of space taken up in its memory.

Coupled with an active table of contents this is one of the easiest to use versions of Wesley’s work.

As a commentary the value of John Wesley’s contribution must not be underestimated. His writing is doctrinal but not dogmatic. He shines new light on various passages but all the time remaining true to the biblical meaning.

This book provides his commentary on:

- Proverbs
- Ecclesiastes
- Song Of Solomon

As part of this publication there is an extensive study guide designed to help you in your quest to better study the Bible.

- Study Guide
- A Secret Of Understanding The Bible
- The Quick Way To Get To Understand Different Types Of Bible Books
- Understanding The Bible By Grasping The Big Picture
- 4 Essential Tips For Developing An Organised Approach To Understanding The Bible
- The Authority Of The Bible
- The Theme Of The Bible
- The Impact Of The Bible On Our Lives
- Practical Help
- How To Study The Bible
