*Hollywood is full of dirty secrets, but Carter refuses to be Levi's.*

Retired action star Levi Pritchard has made a quiet life for himself in the sleepy logging town of Bluewater Bay, Washington. But then Hollywood comes to film the wildly popular television series *Wolf's Landing*, and Bluewater Bay isn't so sleepy anymore. His retirement doesn't stick, either, because he's offered a part on the show — exactly the kind of complex role he'd always wanted, one that would prove him more than a glorified stuntman. The only catch? He has to stay in the closet — no matter how attractive he finds his co-star.

Carter Samuels is the critically-acclaimed male lead on *Wolf's Landing*. And now, the man who inspired him to take up acting—and made him realize he's gay — is joining the cast, and sparks fly between them instantly. But Carter is out and proud and determined to stay true to himself.

Remaining just friends is the only thing to do, as both the studio and Levi's disapproving, dysfunctional family keep reminding them. Except their friendship deepens by the day, tempting them with what they can't have but both desperately need.
