The Functions of the Orgasms: The Highways to Transcendence Michal Odent

This book about male and female orgasms is an opportunity to convince anyone that humanity is at a turning point. Due to the improved technique of medically assisted conceptions and cesareans, the advances in anesthesiology and pharmacology, and the development of the food industry, women can now conceive a baby, give birth and feed their infant without relying on the release of 'cocktails of love hormones'. Human intelligence and ingenuity have made love hormones redundant.
