From the undisputed Queen of Vampire Literature, Anne Rice, *The Master of Rampling Gate* is a chilling tale of vampiric seduction.

Set in the gaslit streets of 1888 London and the wild moors of the countryside beyond, *The Master of Rampling Gate* tells the story of Julie, a young woman who becomes obsessed with the house her father swore her and her brother to tear down upon his death. Julie can't imagine what lies in wait at Rampling Gate, a spirit that haunted her father for years and now yearns for her flesh. *The Master of Rampling Gate* is a sublime love story in which Julie struggles to choose between the world of reason and rationality and the dark promises of a creature she is almost helpless to resist.

Experience this rare Anne Rice short story as a video-enhanced ebook. Read *and* watch the heart pounding tale as you take a journey back in time to the late 1800s, a world of endless nights, secret passions and the promise of dark and nameless pleasures.
