Money is one of the all-pervading, critical commodities that dominates the world we live in. Either we never seem to have enough of it or we worry about losing what we've got. However you may choose to look at it, there's no escaping the fact that we're living in a material world and money underpins the quality of our lives at so many levels.

But what if we could create the real possibility of having significantly more money in our lives? What if we could break free of the financial restrictions that seem to limit our freedom? What if we could really experience a fuller, richer and even a more generous existence?

Acclaimed behavioural psychologist Dr Gerry Canfield brings decades of professional experience to answering and resolving these important questions in a scintillating guide to a better, more successful and more rewarding life. And his focal point for creating a life of freedom, fun and adventure homes in on the fantastic mechanism of exchange that we know as money. This superb collection of great advice, money-making methods and wealth-creation techniques will show you how to:

- Understand how your upbringing has shaped your expectations
- Harness your untapped potential for change
- Develop real-world strategies for increasing your income and creating wealth
- Design goals that are truly meaningful for you and your life
- Build a better quality of life for you and your loved ones
- Create more time for the things in life that are truly important to you
- Make a difference to people's lives by offering your generosity and sharing your good fortune
- Super-charge your ambitions to channel your energy into highly-focused and positive outcomes
- Learn how to be on first name terms with the benevolence of material wealth
- Be a force for positive change in your own life as well as in the lives of those around you

Drawing on decades of professional expertise as a personal and corporate behavioural analyst, Dr Canfield has been an enthusiastic agent for change in a multitude of environments. His experience in helping and inspiring countless numbers of individuals to realise their potential has led him to summarise the most effective wealth-creation techniques in these priceless guides to success and personal prosperity. The outcomes that we experience in life are often conditioned by our deeply-held attitudes and this is one of the key areas that Dr Canfield explores in order to express the full power of our potential that can lead to extraordinary success and personal fulfillment.

Dr Canfield is an extremely warm and caring individual who has dedicated his long, professional career to helping people of all backgrounds and experiences to step beyond their limitations and enjoy a fuller, more satisfying life. Recognising that money plays such a significant role in people's lives, he has produced these illuminating volumes with the express intention of freeing people wherever possible from their restrictions.

He loves to share the insights and methods that can make life so much more rewarding in every sense of the word. If you aspire to greater freedom and prosperity, now is the time to experience the revolution that Dr Canfield has crystallised in these powerfully effective volumes.
