The Scent of His Feathers: a collection of dark verses Ash Krafon

"...a marvelous tapestry of broken hearts, searching souls, yearning spirits, lost hope, and hesitant faith." ~AF Stewart "My crow leaps in a sudden sweep of wing and sails past, the scent of his feathers a balm to a soon-broken soul." Pushcart Prize nominee Ash Krafon opens this volume with a piece that leaves the reader wondering: Is the speaker victim or victor? Shadows can obscure the details that would cement our perceptions of individuals or events. Sometimes, shadows tell us more than we want to know. Shadows prevail in each of the poems in *The Scent of his Feathers*, but Krafon is not afraid of the dark. In this poetry collection, she explores the darkness that surrounds us, dimming the edges of our well-lit worlds. Themes of death, devotion, despair, and desperation are expressed in subtle shades, allowing the reader to determine their own definitions. How a person interprets these pieces--a collection of tiny everyday deaths--will depend on the reader and the flavor of the shadows within that person's heart. Join Krafon as she explores the inherent beauty of twilight. Sympathize with the shadows of a soul. Understand what drives a spirit to desperation. And remember: without darkness, there can be no light.
