Principles of Corporate Finance, 6th Edition (The Irwin/McGraw-Hill Series in Finance, Insurance, and Real Estate) David Brealey, Stewart C. Myers

The clear market leader in the corporate finance course, this text filled a very definite need for a MODERN corporate finance text back in 1983 when the first edition was published. It is known for its intuitive, conversational style and for being able to tie together many of the important ideas in corporate finance. The author's discussions and illustrations are unique due to the depth of detail blended with a distinct sense of humor. This new edition will continue to be authoritative and student friendly but will also carry stronger, modern coverage reflected by current examples and data as well as unique emphasis upon agency issues.
