Society inundates women with messages on how we should be and who we should be. Meant to inspire women to be themselves rather than fit in a neat little box, this is an inspiring quote calendar for x-gen and millennial women ready to take on the world by being themselves. This calendar won't tell you how to embrace your inner strength or explain female empowerment with a lot of sappy quotes from women long gone. Instead, this calendar will give you witty, no-nonsense inspiration from the likes of Tina Fey, Lena Dunham, Hillary Clinton, and Jon Stewart, but it will throw in a little Virginia Woolf and Audrey Hepburn – just to keep it classy!

"Saying 'yes' doesn't mean I don't know how to say 'no,' and saying 'please' doesn't mean I am waiting for permission." ?Amy Poehler

"The moment anyone tries to demean or degrade you in any way, you have to know how great you are. Nobody would bother to beat you down if you were not a threat."?Cicely Tyson

"Taking initiative pays off. It is hard to visualize someone as a leader if she is always waiting to be told what to do."?Sheryl Sandberg
