Network marketing generates more than \$167 billion in annual profits, but 98% of the people in the industry fail and end up in a worse financial situation than when they started. The truth of how the top 2% bring in mountains of cash will shock you. It will inspire you. It will get you thinking. It could even change how you live your life. Once you understand this book's principle there is no limit to its value. This information is not yet in the public domain. It might be hard to hear. But it's real. Hunt or Fail explains how the industry's secret is fully responsible for the top 2%'s profits and is fully replicable for yourself and your team. And best of all? You can succeed in this business with less effort than you would ever have thought possible. No matter what your opinion is on the realities explained in this book, they will start a new dialogue in the business community for years to come.
