Skills of Management

David Rees, Christine Porter

Skills of Management David Rees, Christine Porter

Now in its sixth edition, Skills of Management is widely regarded as one of the leading introductions to core business and management skills for both students and professionals. The thoroughly revised and up-to-date chapters explore the theoretical and practical realities of management using real-life case examples and exercises. Covering both overarching strategic issues, such as defining the manager's job, priorities and objectives within the organizational context, through to practical issues, such as delegation, communication and training, this definitive text covers the areas of management expertise essential for any modern business and management student.

From reader reviews:

Cynthia Gomez:

What do you concentrate on book? It is just for students since they are still students or that for all people in the world, the actual best subject for that? Just you can be answered for that concern above. Every person has several personality and hobby for every other. Don't to be obligated someone or something that they don't need do that. You must know how great and also important the book Skills of Management. All type of book could you see on many methods. You can look for the internet sources or other social media.

Angela Souther:

Do you one of people who can't read enjoyable if the sentence chained within the straightway, hold on guys this kind of aren't like that. This Skills of Management book is readable through you who hate those perfect word style. You will find the details here are arrange for enjoyable reading through experience without leaving perhaps decrease the knowledge that want to provide to you. The writer associated with Skills of Management content conveys prospect easily to understand by most people. The printed and e-book are not different in the content but it just different such as it. So , do you even now thinking Skills of Management is not loveable to be your top list reading book?

John Starr:

Why? Because this Skills of Management is an unordinary book that the inside of the book waiting for you to snap the item but latter it will distress you with the secret that inside. Reading this book next to it was fantastic author who else write the book in such wonderful way makes the content inside easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This excellent book will give you a lot of positive aspects than the other book possess such as help improving your talent and your critical thinking approach. So , still want to hesitate having that book? If I had been you I will go to the book store hurriedly.

Michael Espy:
