Four centuries ago the expectations in life were to love your family, hate their enemies, marry who you were told to, and follow your religion until death took you. Your station in life, your birth order, your family connections and loyalties all ruled the choices you made. Was happiness in that mix?

In "The House of Baric Part Two: A Brother's Defense", the cast of characters make those choices in search of that elusive happiness.

"Part One: Shields Down" introduced you to the many people of the House of Baric, their strong bonds of friendship, arranged marriages, willing romances, political conflicts, and suspicious deaths.

The second book in the trilogy sets a course for more adventures and misfortunes for the Barics and their loyal friends. There are new courtships that complicate their lives, changing their minds about their arranged futures.

Mauro must face his family demons while Resi continues to try to make her place in the House of Baric. Exciting drama and amusing circumstances unfold to complicate their lives.

Set in the summer of 1649, this middle book to "The House of Baric" trilogy will not disappoint. The story speeds ahead with unpredictable plot-twists that will make you sorry you have reached the last page. Questions will be answered, and more will come to light, as you move closer to a satisfying conclusion.
