The Inner Flame: A Philosophy of Peace and Happiness from Within Bodhisattva-D

“When one burns for truth, one becomes a seeker on the Spiritual path... Life cannot be taught. It can only be experienced... Once we see that we don’t have to go conquer the world to attain bliss, we will begin to harmonize with the natural design of the Universe.” Such are the words of author Bodhisattva-D in his first published volume: *The Inner Flame*. In Buddhist tradition, a bodhisattva is anyone who, motivated by great compassion, has generated bodhicitta, a spontaneous wish to attain enlightenment for the benefit of all beings (a term which the Buddha used to refer to himself prior to his enlightenment, in the period during which he was working towards his own liberation); Bodhisattva-D has taken this title in his pen-name, for he wishes to aide those who are lost within the spiritual and moral maze of the modern world. Within these pages, he wishes to help you take the first steps toward your own liberation by sharing the basics of his spiritual and philosophical teachings. A pragmatic and compassionate young man, he hopes that you will thumb through the pages of this short (and hopefully sweet) text and be able to find something to aide you on your journey through this life.
