Ink is forever. So is love.

This box set includes Books 4-6 of the Amazon best-selling Inked in the Steel City Series! Follow the artists and staff of Pittsburgh's Hot Ink Tattoo Studio as they find true love and scorching passion.

## **ABIDING INK (Book 4)**

Tyler DeHaven may look like a bad boy, but there's got to be more to the tattoo artist who volunteers at the hospital during the holiday season. Inviting him to a work Christmas party seems innocent enough ... at first. Problem is, he's just as irresistible as he looks and falling fast is more than Mallory bargained for. After all, she's reminded every day what a gamble love can be, and there's no question that with him, the stakes are high.

It may be cold outside but Mallory Stephens is the hottest nurse Tyler has ever laid eyes on. To top it off, she also likes ink and wants him to be her holiday party date. He's not going to say no, and when things get rocky, he's not going to let their passion frost over, either.

Can a brand-new romance survive the chill as snow falls in the Steel City?

## **SERIOUS INK (Book 5)**

Hard times mean hard choices, but falling for Noah Wilder is easy. Beneath his suit and tie, he's seriously inked and seriously irresistible. When he walks into the Hot Ink Tattoo Studio, the attraction between him and studio receptionist Zoe is mutual – and fierce. And after the opportunity to ditch her demeaning second job to work for him instead arises, suddenly he's her boss ... and much more. With lines blurred in every way imaginable, can she balance passion and professionalism with doing what's best for her struggling family?

Attraction is a powerful thing. So is former fighter Noah's drive to make his growing mixed martial arts promotion company succeed, and if business happens to coincide with pleasure, so much the better. Tattooed beauty Zoe Ramsey is all his when she's not working at Hot Ink – for twenty hours a week, anyway. When circumstances bring them close faster than they ever imagined, can he make her see that he's just as serious about her as he is about the business he's poured his heart and soul into?

## **IRRESISTIBLE INK (Book 6)**

Unbelievable... After months of admiring Arianna during their tattoo sessions, James is half in love and completely in lust. When he finally asks her out, things move at lightning speed, until he gets her home... Where someone has abandoned a baby on his doorstep. Arianna should be running in the opposite direction, so why is she the one who comes to his rescue when he has nowhere else to turn?

Unlovable... Arianna's past holds a secret sure to crush James' attraction to her, which is too bad because

he's exactly the kind of guy she'd choose for herself, if things had been different. She knows she should abandon their failed attempt at a fling, but she can't turn her back on him and his newborn niece – they need all the help they can get. Being a part of his life while fighting her feelings for him is hard, and resisting his feelings for her is even harder.
