**From Book 1:**

**A completed #1 Bestselling Series!**

It's been nearly a decade since the world ended. Since Joss watched her parents die at the hands of a nightmare, a nightmare that stalks her even now, all these years later. That's the problem with the Risen - they refuse to die.

But Joss is a survivor. A loner living in the post-apocalyptic streets of Seattle. It's a world dictated by Risen and the looming threat of the Colonists, a group of fellow survivors living comfortably in their compounds and patrolling the wild, looking to "save" the orphans of the end.

Orphans like Joss.

Like Ryan.

As a member of an all male gang, Ryan is a threat as real as the Risen, a threat Joss avoids at all costs. Then one night their paths cross and Joss makes a choice that goes against all of her instincts. A choice that will threaten everything she has.

Now a new outbreak is imminent and the Colonists are closing in. Joss' solitary, secret world is blown wide open and the comfortable numbness she's lived in for the last six years will burn away leaving her aching and afraid.

And awake.
