That Girl Is Poison Lena Skye

This is a COMPLETE novel, no cliffhangers!

Can best friends also become lovers?

Kalena and Tommy have best friends since they were kids. However, it is only now that they have admitted their true feelings for each other and began dating.

For Kalena it feels like Tommy is the missing piece of the puzzle from her life. He is sweet, charming, hard working and incredibly sexy. She feels blessed to have a lover that is also a best friend at the same time.

However, when something seems too good to be true then it normally is. It appears that Tommy is keeping something from Kalena and she is determined to work out what it is.

Could her perfect man also have a side chick?

Or could his secret be **EVEN** worse than that?

This is a COMPLETE novel you can read from start to finish.

Disclaimer: Includes scenes of a sexual nature

From reader reviews:

Jonah Masten:

In this 21st century, people become competitive in each and every way. By being competitive right now, people have to do something to make them survive, being in the middle of typically the crowded place and notice simply by surrounding. One thing that often many people have underestimated that for a while is reading. That's why, by reading an e-book your ability to survive is boosted then having a chance to stand out than others is high. For you who want to start reading the book, we give you that *That Girl Is Poison* book as a beginner and daily reading guide. Why, because this book is usually more than just a book.

Michael Canton:

Do you among people who can't read pleasant if the sentence is chained from the straightway, hold on guys that aren't like that. This *That Girl Is Poison* book is readable simply by you who hate the straight word style. You will find the information here arranged for an enjoyable reading experience without actually decreasing the knowledge that we want to give to you. The writer of *That Girl Is Poison* content conveys the thought easily to understand by most people. The printed and e-book are not different in the content material but it's just different available as it is. So, do you continue to think that *That Girl Is Poison* is not loveable to be your top record reading book?

Terry Pullen:

People live in this new moment of lifestyle always try and must have the spare time or they will get a lot of stress from both ways of life and work. So, if we ask do people have spare time, we will say absolutely yes. People are human not only a robot. Then we inquire again, what kind of activity are there when the spare time comes to an individual of course your answer will certainly be unlimited right. Then ever try this one, reading ebooks. It can be your alternative within spending your spare time, typically the book you have read is actually *That Girl Is Poison*.

Jerome Chisolm:

As we know that a book is a significant thing to add our information for everything. By a reserve we can know everything we want. A book is a set of written, printed, illustrated or even blank sheet. Every year was exactly added. This publication *That Girl Is Poison* was filled about science. Spend your free time to add your knowledge about your scientific research competence. Some people have different feelings when they read any book. If you know how big a good thing about a book, you can really feel enjoy to read a publication. In the modern era like currently, many ways to get a book that you simply wanted.
