Play Me #5: Play Me Right (Play Me Series) Tracy Wolff

Good things never have to end. Tracy Wolff, the *New York Times* bestselling author of *Ruined* and *Addicted*, brings her eBook original serial to an unforgettable climax in *Play Me*'s sensational finale . . . for now.

My name is Aria Winston. I've fought desperately to escape the seedy underbelly of Las Vegas. Now I'm in control of my own life and my own destiny . . . but my future belongs to Sebastian Caine.

Technically, Aria may still be in one piece, but she's feeling pretty damn close to broken. While she knows Sebastian would die before hurting her, their intense, steamy encounters have opened up old wounds in them both. Now Aria is considering the unthinkable: walking away again—this time to save Sebastian from the pain she knows her past will cause him. But Sebastian's the one who set her free in the first place—how can she not show him the same care and compassion? Because, in the end, being together forever is the only thing that feels right.

***Play Me* is intended for mature audiences.**
