A user-friendly guide written for the college shopper, The Third Edition of The College Finder is a unique resource for finding out about college majors, costs, athletics, religion, quality, and much more. Essentially a book of lists, this is the way to identify colleges where students will get in and fit in. Hundreds of lists are presented, including best schools in fields like pre-med and business, hidden gems, best dorm food, great low-cost colleges, best places to study abroad, and activist campuses. The book includes opinions of expert college counselors and consultants. A college index allows for reverse look-up for students interested in where a certain school falls among the range of other options. The book is completely revised and updated.
