Jack R. Swike

The Missing Chapter Lee Harvey Oswald In The Far East Jack R. Swike

Before Lee Harvey Oswald became linked to the JFK assassination, he was a mediocre U.S. Marine assigned to a radar squadron in Japan. Author Jack R. Swike, a former Marine Corps Intelligence Officer stationed in Japan, spent over two decades researching Oswald's activities overseas, resulting in *The Missing Chapter: Lee Harvey Oswald in the Far East*. This book will debunk some of the myths about Oswald's life during the Cold War era. For instance, few people know that Oswald's Marine squadron was stationed near a top secret atomic bomb facility on the Atsugi Naval Air Field in Japan, which also housed U-2 spy planes. Using the most reliable sources available, plus interviews with people who knew or had ties to Oswald, Swike has compiled a book of historical significance in unraveling a chapter of Oswald's life that had quite simply been overlooked.
