Shipwrecks of the Cunard Line

Mike Roussel, Sam Warwick

Shipwrecks of the Cunard Line Mike Roussel, Sam Warwick

The first book dedicated to documenting and bringing to life the histories and wreck sites of Cunard shipwrecks, with a foreword from diving legend John Chatterton

Providing a unique history and record of the final underwater resting places of ships of the Cunard Line, whose rich history spans nearly two centuries, this book charts the period from 1843-1974. The authors include a detailed history of each vessel leading up to the time of its loss, including *Ascania*, *Alaunia*, *Aurania*, *Campania*, *Lusitania*, *Malta*, *Oregon*, *Scotia*, and *Carpathia*, famous for rescuing the survivors from the *Titanic*. Events surrounding the wrecking of each vessel are thoroughly explored and unique accounts are incorporated from divers who have explored the wreck, along with never-before-published underwater images of the wrecks. Finishing off with practical data for interested divers, this unusual history offers a fresh analysis of maritime history.
