Successful Education and Career Paths (SECP): How to succeed academically and professionally Dr Subbarao V Wunnava

Description of the SECP book “Successful Education and Career Paths (SECP)” book is intended to: help those who have difficulties in concentrating on their education and career paths; motivate the students to continue their academic pursuit (without dropping out of schools, colleges, and universities); steer themselves into rewarding careers. It is also intended to help the parents to focus and solve the educational issues their children are facing. Properly motivated and persistent students would succeed not only in education, but also in their careers. Included in this book are: the views of respected academic leaders, on education; contributions from successful and recognized professionals about their own experiences in getting over the hurdles in achieving their academic goals, and securing highly productive and rewarding professional careers.
