Bat Out of Hell Discovery Darvell Green

Demeitris is a slave born in the year 1609. He has no idea who he is. His father was killed in battle before he was born. His mother died giving birth to him. Athena is a novice vampire with one mission, destroy her oldest enemies, the Soul Reaver. She accomplishes her mission to the letter, except for the child. Athena takes the child in and raises him as her own, giving him the history that she wants him to have. One day Demeitris discovers that he has special abilities. He realizes that he can't be completely human, so he starts to search for answers. What he discovers leads him into a world where vampires, lycans, fae, angels, and demons are the norm. Along with this new world comes part of his past, and along with his past comes predators out to wipe him from existence. The only thing that he knows is that he must survive. Otherwise he will never find the answers that he seeks. Who is he? Where did he come from? And why every living thing on the planet is trying to kill him? He uncovers these questions and more as his journey begins.
