As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their leisure activity. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we
