**Where Happiness Dwells: A History of the Dane-zaa First Nations** Robin Ridington, Jillian Ridington

At the request of the Doig River First Nation, anthropologists Robin and Jillian Ridington present a history of the Dane-zaa people based on oral histories collected over a half century of fieldwork. Taking a poetic form that does justice to the rhythm of Dane-zaa storytelling, these powerful stories span the full length of history, from the story of creation to the fur trade, from the arrival of missionaries to cases heard in the Supreme Court of Canada.
