We **GUARANTEE** if you **RETURN** this book, we will scrap our customer service **POLICY**. All kidding aside, we don't want irritated readers posting negative reviews, so if you are not 100% satisfied with this book, send a copy of your receipt and maybe a handwritten note explaining why you think this is the worst boating book ever to Slip None, Pair-A-Docks, Tortilla, BVIs. There is no one at that address - we made it up. But sometimes it helps to vent. You're welcome :)

Now let's talk about this book you may or may not return. *Hard Aground... Again* is a collection of cruising and boating stories, offering a "stuck up" look at the underside of cruising and the frustrations "land-cuffed" sailors experience when our plans for coastal exploration and tropical destinations run aground on the shoals of family, finances and failing health. These columns first appeared in *Carolina Cruising* and *Coastal Cruising Magazine*, plus a number of other boating publications - all of which went out of business.

Hope you enjoy the book. But if not, email the author and ask for your money back.
