Pais de muertos. Cronicas contra la impunidad (Spanish Edition) Diego Enrique Osorno

Trece cronicas estremecedoras sobre la impunidad, escritas por algunos de los mejores periodistas mexicanos. El termino ""periodismo narrativo"" suele ser visto con escepticismo y hasta con sorna en algunas redacciones donde, como dice Juan Villoro, los periodistas cada vez se hacen mas gordos y los periodicos mas flacos. En esos lugares ""informar"" puede consistir en sentarse a revisar el correo electronico, descargar el boletin oficial (ya sea del gobierno, la ONG, el partido opositor o la empresa trasnacional), reescribirlo, preservando el mismo tono de rueda de prensa, producir una nota que hable con voz institucional y mantener asi al periodismo dentro de la escenografia de la impunidad. ""Narrar"", por el contrario, requiere una presencia en el sitio donde suceden las cosas, aprender a escuchar, desarrollar una capacidad de observacion de los pequenos detalles, tener una enorme concentracion a la hora de contar la experiencia vivida y desafiar asi, con el poder de la palabra, lo absurdo. No es lo mismo contar el numero de muertos que contar las historias de nuestros muertos. Esta guia narrativa de la impunidad asesina en Mexico fue hecha a partir de esa idea. La vida de hoy mata, los casos contados en este libro asi lo demuestran. Nos estamos muriendo: las mujeres, los obreros, los ninos, los narcos, los indigenas, los mineros, las maestras, los policias, los campesinos, los comerciantes, los periodistas, los profesores de ping-pong, los soldados, las estudiantes, los vivos y los muertos, que ya muertos, vuelven a morir otra vez, una y otra vez, a causa de la ausencia de justicia y el olvido. Las catorce cronicas de Pais de muertos no son parte de ninguna fosa comun o de una sala del museo de los muertos. Conforman una de las antologias mas plurales y representativas del periodismo narrativo y de investigacion, si no es que ambos adjetivos salen sobrando y se deberia hablar solamente de buen periodismo hecho en Mexico.
