This encyclopedic work covers 350 female spies, private investigators, amateur sleuths, police detectives, federal agents and crime-fighting superheroes who have appeared in more than 250 series since the 1950s, with an emphasis on lead or noteworthy characters. Entries are alphabetical by series, featuring credits and synopses, notable plot points, interesting facts and critical commentary on seminal series and characters. A brief history of female spies and crimefighters on TV places them in chronological perspective and sociological context.
