## **The Dangerous Element** Mr Gary E Johnston

With a sullied reputation and a bleak future, Shaker Heights, Ohio Police Chief Maureen 'Mo' Harrigan accepts the offer to become the first female Police Chief in Eau Claire, Wisconsin. Embracing the challenge of a new beginning, she hopes the change in venue will allow her to salvage a once promising career while staying close to her youngest son who has enrolled in the local university. Optimism and hope quickly turn to lingering self-doubt when the retiring Austrian President and his American counterpart decide to attend the annual Viennese Ball being held at the University of Wisconsin-Eau Claire. The arrival of the two presidents not only brings the eyes of the world on Eau Claire and Mo, but the eyes of a killer as well. The heads of state have become unwitting targets for a former British operative who has taken his personal conflict with an old colleague to a global stage. The road to revenge runs through Eau Claire and directly in the way are Mo and a co-ed whose identity, if revealed, could destroy the only man who can stop the assassin.
