The Longman Companion to the European Union Since 1945 (Longman Companions to History)

Alasdair Blair

The European Union is once again in the headlines. The recent resignation of the European Commission and the forthcoming parliamentary elections have intensified debates on reform after the integration of eleven currencies at the beginning of this year. What are the main issues? This new Companion offers a timely survey of the key policy developments of the EU, taking a thematic approach to provide easily accessible information on key areas of concern.
