## **One Million Stories Creative Writing Project 2010 Anthology** Million Stories

This exciting new collection is a distillation of the global zeitgeist captured by the Project in 2010. Twenty new stories from new and established writers take the reader on an epic journey across an archipelago of ideas: family tension; volcanic ash; political oppression; the perils of air travel; a suicide bombing. Cleverly weaving questions of cultural identity and belonging, these talented authors present an authentic vision of the world.
