## Shadow Gate: Book Two of Crossroads Kate Elliott

The captivating, bestselling *Spirit Gate* swept readers into the turbulent world of the Hundred, where the peace and order of life under the protection of the immortal Guardians has given way to chaos and violence. In the face of a vast horde of marauders led by a rogue Guardian, the bravery and resourcefulness of a lone eagle-reeve and others who risk their lives for the common good have prevented death and destruction from overwhelming the Hundred.

In *Shadow Gate*, the enthralling sequel, the source of corruption of the Guardians is still a mystery to the mortals who fight to withstand the forces that have turned against them. And when three new Guardians emerge, a struggle begins among the immortals, with nothing less at stake than the future of the land and its gods.

With all the color, excitement, and narrative power that have made Kate Elliott an enormously popular writer, *Shadow Gate* weaves a powerful spell of action, romance, and magic that will entrance legions of readers.
