Single, Available, and Completely Attached Michelle Brewer

Good girl Anna Maloy has always been drawn to the wrong kind of guy—and if anybody fit that definition, it was Drew Whitman: her boyfriend's best friend. So when Anna breaks things off with her boyfriend of seven years, her newly minted ex does the logical thing: He asks Drew to keep an eye on her. Drew Whitman has never understood the hype about monogamy. He's never even been tempted. Well, maybe, just that once—but as a loyal best friend, he's chosen to forget all about that past and enjoy a life of self-indulgence and instant gratification. Until he's practically forced into her life, that is. He does his best to ignore—well, everything about Anna Maloy, as he's done the last seven years. But the more time he spends with her, the harder it gets—especially when she's the one crossing the line.
