Are you wondering how so called jerks always get the girls while good guys like yourself aren't getting any?

You see it all too often. the guys that treat women like crap will always end up with them, while decent, quality guys like yourself are wondering what's missing.

A woman is not sexually attracted to you by how you look, how much money you make, or who your friends are. She is attracted to your innate sexuality as a man. Everything else is unimportant. A woman wants a man who sexually knows what he desires, and then takes it - while not needlessly flaunting what he's doing. She wants a trustworthy man with common sense who knows who he is. She wants a man that will, literally and figuratively, take her.

Mr. Nice Guy tries to do too much and thus seems to lack confidence with himself. His excessive kindness reflects a lack of confidence in him.

You Need to understand that Women are not attracted to Nice Guys.

Women are looking for men who have confidence in them.

Do not be nice, give them a mixture of pleasure and pain

Say NO more often than yes.

And for God's sake, stop buying gifts for any occasion

Do not be gentle with women, be real, seductive, playful, polite and lover.

With the powerful, step-by-step techniques condensed in this guide, you will not just be able to meet and date almost any woman of your choice, but also create the kind of sexual interest you only dreamed about before, no matter how hot she is.
