Described by readers as, "Powerful and Dangerous," and "Gritty and Eloquent," this is not your average vampire book.

A vicious and brutal attack leads Anthony, an ordinary man into a parallel world of darkness, magic and sin. Leaving his mortal life behind he battles for survival.

Anthony finds himself alone and lost in a cold black paranormal world until he is found by the charismatic Nathaniel, who offers to be his guide in this new realm.

Nathaniel offers Anthony another way to co-exist in the normal world. A way that doesn't involve the taking of human lives. He introduces Anthony to Josephine and Tom.

Anthony willingly allows Tom and Josephine to take him on a journey of debauchery, violence and blood lust. Rumors spread about the Elite taking ordinary immortals to use for their cruel experiments, a war is raging and the lower orders of vampires are disappearing without a trace.

The tale of a modern British vampire trapped in a dark world, fighting to keep his conscience whilst battling his blood lust and desire to kill.
