Christmas in Texas (Clayton Wheat Williams Texas Life Series) Elizabeth Silverthorne

Why do people kiss under the mistletoe? Is Santa Claus actually Turkish? And just what is lutefisk anyway? The answers to those questions and more lie between the covers of this beautiful volume.

Christmas in Texas shows how Texans have celebrated Christmas over four centuries, during good times and bad. The Texas holiday season is steeped in the rich legacy of the different ethnic groups represented here. The music, the food, the decorations, the secular fun and frolic have been imported to Texas by land and by sea, often as the nostalgic efforts of homesick immigrants to recreate memories of past Christmases in their homelands.

Elizabeth Silverthorne paints pictures of the different ethnic groups that have settled in Texas, showing what they kept uniquely theirs as well as what they changed to adapt to their new home. Walnuts had to be replaced in holiday cooking by Texas pecans, and the traditional fir Christmas tree gave way to the abundant Hill Country cedar.

We follow Las Posadas along the Riverwalk in San Antonio, predict the future with Poles and Czechs, shoot the anvil on the frontier, and go first-footing with the Scots. Recipes throughout add ethnic flavors, from Wendish coffee cake to Yugoslavian Christmas bread, from well-known buttermilk pie to exotic zabaglione.

Families today will look to this beautiful volume annually as they enjoy holiday traditions passed down to them. Ideal for reading and giving, it also will appeal to those who want to reminisce about the old ways, and those who want to learn more about their heritage and the holidays.

From reader reviews:

Kim Gray:

Is it a person who having spare time then spend it whole day by watching television programs or just lying on the bed? Do you need something totally new? This Christmas in Texas (Clayton Wheat Williams Texas Life Series) can be the response, oh how comes? A fresh book you know. You are therefore out of date, spending your free time by reading in this brand-new era is common not a geek activity. So what these textbooks have than the others?

William Quesada:

As we know that book is very important thing to add our knowledge for everything. By a reserve we can know everything we want. A book is a pair of written, printed, illustrated or maybe blank sheet. Every year was exactly added. This reserve Christmas in Texas (Clayton Wheat Williams Texas Life Series) was filled about science. Spend your extra time to add your knowledge about your scientific disciplines competence. Some people has distinct feel when they reading the book. If you know how big advantage of a book, you can truly feel enjoy to read a e-book. In the modern era like currently, many ways to get book that you simply wanted.

Carol Stripling:

That guide can make you to feel relax. This book Christmas in Texas (Clayton Wheat Williams Texas Life Series) was colorful and of course has pictures on the website. As we know that book Christmas in Texas (Clayton Wheat Williams Texas Life Series) has many kinds or genre. Start from kids until adolescents. For example Naruto or Investigation company Conan you can read and think you are the character on there. Therefore not at all of book are generally make you bored, any it makes you feel happy, fun and chill out. Try to choose the best book for yourself and try to like reading that will.

Norma Barnes:

As a student exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's internal or real their hobby. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Christmas in Texas (Clayton Wheat Williams Texas Life Series) can make you truly feel more interested to read.
