**Give Her Multiple Big-O As Often As You Want: 87 Simple Tips & Tricks to Giving a Woman Full-Body, Mind-Blowing, Explosive Climax Again and Again (Guide To Better Sex Series Book 2)** Natalie Robinson

The **Female Orgasm** is indeed the new age version of the Holy Grail, a mysterious event that seems to boggle our imagination, challenge a man's ego, and sometimes elude us in much the way as a secret cave.

But wait! **How about all that stuff I see in erotica books?** Those guys make it look easy. So it should be just that easy, right?

And that's why we have so many real world sex problems. Because we all sort of think, yeah orgasms should be like that. **So why isn't it working just like that?**

Probably because studying erotica in place of education is sort of like getting your history lesson from, well, a Hentai cartoon.

- Real sex is not exaggerated.
- Real orgasms are not mechanical.
- Really good, awesome and out of this world sex takes practice, patience and strategizing rather than just wishing it to be.

It's like the old expression goes – if you build it they will come. Or in this case, if you really work at it, she will *come*.

This book is not going to tell you how it “should” happen, or how you wish it could happen—but rather how realistically you're going to either give a woman an orgasm, if you're a man, or bring yourself to orgasm with a lover, if you're a woman.

We're going to analyze the anatomy, the emotional complexity and the “social obligation” of all things orgasm over the course of **87 tips and 12 chapters**. You will know **what to say** to your lover to get her in the mood. You will discover **foreplay techniques** to put your woman on her toes and ready for the big-o. You will know the real truth about **female ejaculation**, the **G-spot**, the **U-spot**, the **A-spot**, the **P-spot** and **Deep Spot**, and how to stimulate them to give her **multiple full-body, over-the-top, mind-blowing orgasms** in one night.

By the end of the book, you're going to have your PhD in Orgasmology, or at least the equivalent of it. And the proof will be in those **authentic moans of ecstasy**, never more unrestrained, raw and amazing.
