UNWRAPPED Amy's kind of fantasies wouldn't cut it in the straight-laced law firm where she's fought her way to partnership. And she refuses to let a younger man use her to advance in the firm. Justin might be brilliant, gorgeous and sexy, but he's firmly implanted in the look-but-don't-touch realm. Until a corporate acquisition in Hawaii over Christmas gives Justin the opportunity to show Amy he's interested in her as a woman. And he has the ideal plan to help unwrap the perfect Christmas gift for Amy. **TO DO LIST** Since she could pick up a pencil, Belle has used lists to map out her life. But now, she realizes the life she thought she wanted exacts too high a price. Exhausted, she heads home for Christmas to make a new to-do list. She didn't factor in Rafe, her brother's best friend kissing her under the mistletoe! Belle finds herself with a whole new set of goals to balance with what she thought she always wanted. Rafe's plan is to seduce Belle back home where she belongs.
