A written meditation script for use by those who run meditation groups, or can be self-recorded to a digital device for personal use.

This guided meditation is an invitation to meet Archangel Michael, spiritual warrior and protector, who works on the Blue Ray to shield us from harm and release all that is no longer viable in life. Allow his blue cloak to enfold you and journey together to create the tree of your life. Stand in his presence and listen to his personal message for you.
