The Rise and Fall of the Third Reich: A History of Nazi Germany (Part 1 of 3)(Library Edition)

William L. Shirer

[This is part 1 of a 3 part cassette audiobook, library packaged edition.]

Winner of the National Book Award for Nonfiction in 1961, *The Rise and Fall of the Third Reich*, which has sold more copies for the Book-of-the-Month Club than any other book in the club's history, is the worldwide best-selling classic about the most infamous era of our times.

Since its publication in 1960, William L. Shirer's monumental study of Hitler's German empire has been widely acclaimed as the definitive record of this century's blackest hours. *The Rise and Fall of the Third Reich* offers an unparalleled and thrillingly told examination of how Adolf Hitler nearly succeeded in conquering the world.

Shirer's unforgettable account of the pivotal characters and events of that critical era benefit from his many years as a reporter and his own personal recollections, as well as from the mass of historical documents retrieved from the German Foreign Office. The result is a brutally objective account of how Hitler wrested political control of Germany and managed to take the country with him on his mad six-year quest for world domination, only to see it go down in flames in the end.
