## **Trouble Times Two (Bad Boys Need Love, Too Book 2)** Calinda B

Sinfully sexy bad boy yacht builder and photographer Jace Savage has lived an explosive, drug abusive, reckless, sex-filled life, playing by his own high-voltage rules. When he met Zoé Dubois, his life and bad behaviors came to a scorching stop – until trouble re-surfaced. How much trouble can a "life on the edge" and all around bad boy take?

He's about to find out. Trouble comes knocking when the well-being of the child in his care hangs in the balance, thanks to sudden interest from her grandparents, her once disinterested father and Jace's obsessive ex-girlfriend, Kate.

Determined to give Zoé the passionately intimate life she deserves, in a seaside town away from Seattle, as well as sexy exploration on a daily basis, choices have to be made. Will Jace be man enough to make them? Couple his desire to change with his constant urge to run, and you have the gut-wrenching, heart pounding, suspense filled romance, Trouble Times Two.

Interview with the Author:

Q. What makes this bad boy romance worth a read?

A. I have friends and family who have struggled to leave drug addiction, drug abuse and bad behaviors behind. It's a hard journey, but a worthwhile one. I wondered what it would take to get a sexy guy with a motorcycle and a hard and fast lifestyle to change. I also wondered what it would take to get a guy who's had his share of abuse to allow someone inside his protected heart.

Looks like Trouble to Me began that tale. It showed bad boy Jace Savage struggling with a desire to change, burdened by his past, finding love in unexpected places. His passion and desire for Zoé Dubois motivated him to change. In Trouble Times Two, Jace is faced with leaving his past behind and truly letting someone in. I know from experience, this can be the hardest journey of all. It takes courage and commitment to let go of your past and drop the walls of self-protection.

Q. Will there be more Bad Boys Need Love, Too books?

A. Yes! I'm working on The Trouble with Sweet, Sultry Sin. It's about Zed Farrell, Jace's friend, another bad boy looking to change.
