## **What is Property? - French/English Bilingual Text (French Edition)** Pierre-Joseph Proudhon

Qu'est-ce que la propriété? ou Recherche sur le principe du Droit et du Gouvernement (What Is Property? or, An Inquiry into the Principle of Right and of Government) is an influential work of political philosophy on the concept of property and its relation to anarchist philosophy by the anarchist and mutualist Pierre-Joseph Proudhon. Proudhon, a politician, philosopher, economist, and socialist, was the first person to call himself an "anarchist", and considered among its most influential theorists. Here Proudhon's French text is reproduced side by side with Benjamin R. Tucker's classic English translation. La propriété, c'est le vol ! Property is theft!.
