## **World Government, Ready or Not!** Garry Davis

WORLD GOVERNMENT, READY OR NOT! is the first how-to-do-it and how-it-is-being done book on the making of world peace through government of, by, and for the citizens of the world recounted in masterful detail by a veteran of over 50 years experience in the "field." WWII bomber pilot Garry Davis, in 1948 took Emery Reves (Anatomy of Peace) at his word first that "...the ideal of the nation-state is bankrupt.." and second that "There is no first step to world government. World Government is the first step." The eclectic Renaissance Man, stateless World Citizen Davis "lives" the future today treating philosophy, law, economics, travel, space, history and more with equal ease and insight. Moreover, as a world activist, he has seen the inside of over 30 national prisons. E. B.White wrote that "Davis marches to the beat of the Universe while we all march to a broken drum." "The birth pangs of the new world order are already upon us," Davis writes in the Prologue, "and as necessity knows no law but its own, we are too busy attending to that long-heralded and momentous birth to still the shrill cries of infidelity." WORLD GOVERNMENT, READY OR NOT! is a book for the 21st century and beyond.
