A psychological and emotional thriller, the story is an epic battle of good versus evil. A story of three lives forever changed by one man's interpretation of fate. The father, the young daughter, and her abductor. An abductor who sees everyday occurrences as signs of fate. An abductor whose interpretations of these signs are predictors for his actions. An abductor whose psyche is centered in these ideals and fueled in combination with a lust for control. A lust evermore demanding, yet evermore unfulfilling in its satisfaction.
