Mother's Remedies Over One Thousand Tried and Tested Remedies from Mothers of the United States and Canada - Over 1000 Pages with Original Illustratio T. J. Ritter

Whilst some of the medical suggestions in this book may be helpful, other recipes contain poisonous or illegal ingredients. **DO NOT TRY THIS AT HOME!** This book has great historical interest and presents the best that mothers could do for their family members when they took ill. Even if they could afford a doctor, he would probably offer the same remedies that are contained in this book. One of the fascinating aspects of the book is it has a very long section entitled "Manners and social customs for our great middle class as well as our best society", offering advice, such as to when a man should offer his arm to a woman. This volume comes complete with Housewife's Alphabet, 300 'recipes' to be a successful housewife, recipes for candy making and jelly making, instructions on pickling and canning, a beautiful set of ten commandments on how to raise your child, beauty treatments, etiquette instructions in every situation, glossary, 16 page dictionary, extremely copious index, illustrations, and table of illustrations.
