Residential Development Handbook (Community Builders Handbook Series)

Lloyd W. Bookout, etc.

Residential Development Handbook (Community Builders Handbook Series) Lloyd W. Bookout, etc. During the 1980s, enormous changes occurred in the residential development marketplace where crises in financial markets affected and changed demand for residential development. This updated and revised text reflects trends in residential development and current practices, and provides a working manual on development principles and practice. Divided into nine chapters, it covers: project feasibility; financing; alternative and supplemental development; planning, preparation and processing; marketing; management, re-development and trends.
