Yolanda Nitta:

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the educator want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring in addition to can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this The Things With Wings (Apple Fantasy) can make you really feel more interested to read.
