Are you ready for a book that will Revolutionize your love life?

True Love Dates is the book that world-renown #1 New York Times best-selling authors and relationship experts Drs. Les & Leslie Parrott have claimed to be exactly what "your love life needs".

Relationships are hard aren't they...but what if they were never intended to be this difficult? In *True Love Dates*, Professional Counselor Debra Fileta encourages singles not to "kiss dating goodbye" but instead, offers a new approach to dating by encouraging readers to do relationships in a way that is psychologically sound, emotionally healthy, and rooted in faith.

What it comes down to is that healthy people make for healthy relationships. We often complicate that by entering relationships with our past baggage and preconceived ideas of what it means to find "the one". But the good news is that it is possible to find love in a way that honors both God and the opposite sex.

Debra Fileta simplifies this process by offering a "3-stage approach" to finding true love by Dating Inward, Outward, and Upward. She draws on her personal life and her experience as a Professional Counselor and provides a practical approach to finding and keeping a healthy relationship- but most importantly, to becoming healthy yourself.

It's a book that is transforming lives and relationships. Why not see for yourself? Whether single, dating, or engaged- don't wait to read this book. Your love life will thank you.
