Airlift to Wounded Knee

Bill Zimmerman

Airlift to Wounded Knee Bill Zimmerman

In 1973 as a protest, many Oglala Sioux "occupied" the village of Wounded Knee a part of their Pine Ridge Reservation. The FBI, other federal agents, and the hired "goons" of a crooked tribal official, surrounded Wounded Knee and attempted to block anybody from going in and out, even if all they were bringing in was food. Essentially the Wounded Knee siege was a 71-day armed standoff and although both sides experienced casualties, the government wielded much more firepower. As starvation became an issue, Bill Zimmerman, the book's author and an amateur pilot, was called on to organize an airlift of supplies. Zimmerman alternates chapters between the Sioux and his own adventure with the Airlift.
