More than 1700 citizens, 1000 patriot soldiers and 800 loyalists are included in this volume. Also records of many Virginians who served in Georgia Continentals; of members of South Carolina Continental units in Georgia; and some South Carolina Loyalists are also included.

This book will be a MUST for those looking for Revolutionary War service for a Georgia ancestor since the D.A.R. no longer accepts the undocumented records from McCall's three volumes on Georgia Revolutionary War Soldiers and only small portions from Lucian Lamar Knight's volume on Georgia in the Revolution.
