Highlights of Modern Biochemistry. Volumes 1 & 2: Proceedings of the 14th International Congress of Biochemistry

The 14th International Congress of Biochemistry was one of the most successful congresses ever held under the sponsorship of the International Union of Biochemistry. These Proceedings contain the papers from leading experts from all continents which were presented during the congress. The contributions in these volumes present the gigantic advances and new trends in all fields of biochemistry and give an idea of new developments in these fields.
